## INTEL Core i9-14900K do 6.00GHz Box procesor

Šifra: 50776  
Kategorija proizvoda: Procesori  
Proizvođač: INTEL

Cena: **68.537,00** rsd.

|                       |                               |                                                                                                                                                                                                                                                                                       |
